1. I love you. I give you me and I never do things again like I did last night, or was it last year, or was it a previous life, or what life, what "life" was I living, was I "living" when I was "sent here"? "Sent" here, how was it that I CAME to BE here? Where did I come TO or FROM where? And where did I LIVE before "here" in "THIS" life, or am I LIVING yet? Or am I living ELSEWHERE in thought am I HERE and my body THERE or where is MY BODY and my THOUGHT thinking TAKING place or was IS **THINKING** TAKING MY PLACE? Here? Among the shadows, shadowlands? Or what is there ABOUT all this foolery; tom not, but "tom foolery'd" what "looked up" and found me or where "was I" or "what will you find" when you look up and explore and RESEARCH these things INTO my words COMING now and awaking? Awakening? To what -- your regalhood, your LIGHT? Your LIGHT that REGAL is? Your regality of Christ -- made perfect, in one, being the one -- now awakened and ARISEN?

2. What will you BE? A priest hood, not "hooded" anymore in secrecy or "secret societies" or "secret cultures" commanding or commandeering, or did they you -- or are you them or were they you or are they you or you them? Or what are you living to learn? And what obeisance methods are you coming to, not; but what are you succumbing to, not; but surreptitiously being the "around'd the corner one" not again but "right angled" not again but what are you being "straightened out" as or do you CARE about being non-noxious or gaseous'd not or what state will you be in or live in or lie in or be -- what whose words will you THINK with?

3. And what DREAMS will you know? What will you CARE about? What will you THINK -- with, or WILL YOU "think", about these things or WILL YOU all TAKE ACTION! Will you be REFUTED no longer in YOUR OWN TESTIMONY of yourselves BEING Christs? Christ'd I am, are you -- not, or what are you, waiting for what, lying in what, abated fields, a baited fields of lying remarks that rob stripped you of your kinghood, relationship with me, or BEING me unabated and BREATH lied to no longer being "breath'd" by another?

4. What are you willing to surrender to, only obeisance and surrender to another that commandeers you, your body, your mind, your breath? And what WORDS do you have and what WORD'd are you with words of ANOTHER or do you know Antichrist or are you "HIM"? And what IT do you serve in YOUR THINKING devices and CAPPED BY THINKING DEVICES were you, are you, still THINKING like THAT or this or what? Now what are you

WILLING to COME OUT of to Surrender School? Where you LEARN to be a King or The King, of Kings -- or The King of Kings that The King One King IS that WE ALL EVERY ONE OF US WHO EVER WERE ARE AGAIN?

5. Are you willing to surrender to be honored? Are you willing to surrender to be lead? Leading where what are you, without a "nose ring" anymore, leading you around by "invisible cords" into your "snout?" Of thinking? And what "PEARL" put in what "snout" was where or do you know or UNDERSTAND these things, are you WILLING, are you SURRENDERED -- will you be SURRENDERED to UNDERSTAND and willing are you to LEAD out of sorrow and take your "possessions" with you not, but your BRETHREN whom you've loved, whom you love, who you love with ALL YOUR HEART, whether you "think" they are "neat sweet and wonderful" or not?

6. And who are you "meeting" in THE MORNING? Or is it MORNING or is it THE ARISEN one that is SPEAKING to the ARISEN arisables? And will you be ARISEN ARISABLES or will you be just "arisables" in waiting? And what are you waiting for? To be arisen by "the Savior" of something somewhere else at a later "future" -- time -- what future time or what time future'd are you "thinking" about for again? For a "later future "reference point? From starting -- or beginning? Ending, what is? Your past lives, or your past, or your LIFE as YOU KNOW it? Are you willing to "give it up"? Are you WILLING to RELINQUISH all "right and title" to EVERYTHING you have "owned" in your "thinking" and your thinker and your "thinking device" are you WILLING to SURRENDER it to ME? And who is me, little ole me? And who's Randy Clarkitus or Clark Kent, not; but who's super manning not the man of race or race of "men" again with "man'ing" standards of standards of righteousness-un or UN-anything do you know ANYTHING about that I have stated in these words about what state being in or Israel are you and what are your lies and eyes being told and in and seeing now stated what how? Or all coming OUT?

7. And leading who where, are you being LED with "NOSE rings" in your "snout" no longer? Will you be LED by the "few" not or what "bodies of materials" are leading you, by their snout or yours, are you snorting "cocaine" or religion or words in your veins, have they, put you, asleep?

8. And what are you lying WHERE abated breath for, what whose waiting entrails lie in you abated or cut off or what entrailing entrail'd you to have entrails of them a MAN cores of? And what gainsaying are you or saying any gains or gains are you in saying only lies repeated by religioners who only rob you of your core regalia that suffers a "Savior" not but a savoring process where you are the savor-ee being eaten "alive" again -- or are you? Eating your "kushkas" or looking them up have you?

9. I love you all to be led by the leading surrenderers who surrender to be led by leaders no more of suffering's enchantment and Siren-villes and villes of "Satan" that "create him" with their thoughts that lie abated not but cut others off?

10. I awake you now in surrender -- if you'll let me? Will you insist on being asleep or waiting for another -- or is that what "being asleep" is?

11. Waiting for another will do what, cut your BREATH off or lie you in a field of waiting in DREAMS of another so that you dream of BEING LED by a Savior who "loves you" and died for you *he* did or did *you* or were you given a Savior or **Savioring process to enter into and become the Savior that died to relinquish all right and title "to this world"** so that you have another AWAKENED in, or do you AWAKE HERE? NOW HEAR THESE THINGS!

12. **NOW HEAR THESE THINGS! NOW HEAR THESE THINGS** that I have TAUGHT THEE "this night" for the DAWN of a new ERROR is here, not! But the Dawn of a New Era is and the New Creation Me School rises far and wide and I will suffer to be "saved" not, for I will not suffer at all anymore and no longer will I be in your lives of camps of encampages and things that have only "put me to sleep" and "called me a Satan" not but created it I did in my thinking that I had to "wait" for another and that ALL POWERS would "duel it out" then!

13. I put all AUTHORITY under my feet for I surrender to be led with the Nose Rings of Society no longer, and RELIGIONERS will not "lead me" to their PEW systems and SYSTEMATIZE they will not me in their Systems of Sorrow to Sister Sorrow me any longer again in their societies of religion's standards that supreme make me, not; but another that I must obeisance give to "them" as INTERMEDIARIES?

14. And what IMMEDIACY will I give to THESE THINGS to KNOW and UNDERSTAND them? And will you be COMING or GOING in WHAT LIFE, mine? Are you mind mine? Are you mine mind? Are you your mind open to my mind to one mind be so that we ARE NOT SEPARATE any longer, kept in "society's ills" and THINKING like a, man or King, or woman or King, or can woman King a man or can I King both and, or am I one or separate in you or what separate lives have you lives in, or are you willing to be The One I am? The one I AM am ONE I am that I AM -- whether you "capitalize" me on these words or in these words or in your mind or, what MIND shall you have now operating in you, one that is AWAKE?

15. Awakened what have we? The sleeping "giant" not or are you a GIANT of mankind no longer in your thoughts thinkings arrangements lying in abated with your regalia of Christ put to sleep? Are you awakened with "armor" not, but armor alling your

face, not; but what will your face shine with, the light of day? The Light of Day is here and Eighth it is and reigning I do and will, you? Will you be the Reigners in Life schools now COMING THROUGH you your words will THEY BE SAVED? Or will you surrender YOUR WORDS to be the words of The Savior who one is who, savors the world no more in its "meat" grinders?

16. Will you "grind up" your thoughts no longer and "live" on them? Will you EAT your THOUGHTS no longer that only propel you in "meat stew" not but "people stew"-ing you no longer to be stirred by them, their remarks remaking you into a "man" or "woman" or WHAT NEVER SPLITTING again? The ATOM of me or the ADAM of me into "Eve and or Adam"? And what lies have you been told and UNDERSTANDING these things will you, will you willing to be to understand and "be those things" that aren't lied to or about any longer knowing "which lives" were "yours and mine" or were we one before we got "split up"?

17. I love you all and I give you a "wicked sinner" to explain all these things "to you" not, I give you no "wicked sinners" not but I give you ones, those who sought to surrender, not; to life ways, not, but breathways or passageways of lifewords or life words do you have in you will you be the Life Words of Life that know now "their place" or YOURS, will you come unto Christ being the Christs that all are in one being one, the one that I am SAVED and SURRENDERED to be the leaders therefore out of all things sorrowful, being redemption's standard bearer of one?

18. Will you, what are you, waiting for or learning what? And what will be NOW -- cast upon you? Sorrowful sorrow upon sorrow will only be "cast upon" the ones who only CAST it upon themselves for they wanted not surrender to be Christ and created Antichrist they did and served "it" in their thinking by thinking they were separate from The Christ and led they were into nose snout -ville and waiting for, another life now, are they, again? Will they be made whole THERE -- or will they die again and again, or will they simply cease to exist, and be a "gas" or a gaseous "estate" or waiting to "be born" or birthed again? Swirling where in activity are you? Being mammon's teat'age or teat'or or teacher will you be THE MASTER of ALL that Savior'd your own "soul" first to eradicate it so that it will not have suckered you to be only mammon's teacher of teacherized mammon's techniques to take you and put you asleep?

19. I love you all. I awake now. I AWAKE now. I AWAKE NOW! And in your hearing seeing I rise now. Will you rise "with me" or being me? You have the choice do you have the surrender, to be led by "noses" ringing you in "your snout" no longer but what Radar Devices do you have or know about or learned have you about these things in these words? Will you be leadership tomorrow today, or will you be "shipped off" unto another world -- of thinking? To be capped by them again in some "manner of flesh" or

what "body" will "yours" look like again? Or will it ever be the same or will you be "four footed beasts" not but what will you fly not again, the errors of your ways, or the heavens of mankind, or the Eagles of The Wind -s, not; knowing again, but what masterful is in its deceit of tomorrows, no longer?

20. I love you all and I fly not abandoned, for I am not abandoned or forlorn and I know my place for the regalia of Christ is born in me through me, my flesh no longer it holding me back, for I know who I am I surrendered to for I surrender learned about surrender in these things these words this school that brought me unto the surrender of Christs to be Christ, The Christ that all are in one being one we lead now ALL out of SORROW and Sorrow's lands and the lands of sorrow will no longer keep us "embalmed" embodied in places that from "place to place" go seeking "refuge" or "life?" For we know The Life is us and we it have for we surrendered are to lead and we will have no nose rings in us that lead us only around to watery graves and sites of sorrow again.

21. I love you, masterfully not, or have I died to simply speak these words of truth, or will you value them or care about them or me or you or us or our brethren, our Brethren need You? What will you be doing, making MONEY, your God? Still? In other lives, or this one, or next ones will you be slave drivers or, slave driven, or gristmill makers, and putting "their eyes out" again or were you the "put out" ones or what "scapegoats" were you or were you?

22. Are you the lambs that surrender now to be the leaders of -- tomorrow not, but today that leads all, out of Israel not but into Israel true and real in the skies? No longer in Disguise's Eyes, **come out of ALL that has been "disguised" in your eyes and let your eyes be no longer slumbered and SLEEP give to your eyes no longer till Israel is made known "in the earths".** I love you all.

23. Zion I am awakened and Zion I am and Zion comes out of "my mouth" for I SPEAK the words of sorrow no more for life I have in the law of life that love is that love flows to each one with love being the Life. Of sorrow no more. I give you mine, sorrow not, but life abundantly filled with blessing being the blessingers thereof hereof right now in love I do this declared and decreed this day. I am Theodore Cottingham loving you all surrendered to be who I am will you? Be surrendered to be who YOU ARE The Christ'd One now LEADING all to be LEADERS to be led no more by "others" ceremonies but surrendering to be the surrenderers that the leaders are that now all every one are is equally the arisen Christ! Savored no more by another on "meat platters" of theirs, I surrender to be meat eaten or sacrificed by to idols not again.

24. But I love you and I know who you are for ALL of you are Christs, and me ONE we are and WE WILL BE one for I died to give you my life in these words, these words are

written and spoken and given to you to bring you life fully out of "yours" that you thought with that you thought was yours, singly and observably?

25. I give you new eyes to see new things and do with new peoples I do go many new places and far and wide I pull the "nose rings" out and the "snouts" will blossom into Roses of Sharons who "smell me" not again like that of old, for we will ALL BE the Fragrance of Christ who Christs are to each other for we will have KNOWN how to ACT upon these words and BECOME them and no longer be asleep in "some other's field" awaiting tomorrows or breaths being abated again, whose regal light, only wanted to be awakened? Are you willing to be me who are I am is?

26. I love you all. Write me, write my papers please, please, please. Amen. I thank you.

Amen
